

John Guidance

Objective

To attend a 4 year college and major in Biology. I hope to become a doctor.

Summary

1. I often participate in class
2. I will go for extra help when I need clarification of classroom information
3. I have always been strong in math, and I can easily grasp mathematical concepts
4. I love to read the assigned class books as well as science fiction novels
5. My writing skills have improved over the years as I have taken a Writing Lab class, and I often see my teachers for help editing my papers

Education
