  - Need for more programming for alternatives

  - Timeline: Interviews in January, Recommendation in February
- V. Budget
  - Advocating for an additional .6 FTE math position
- VI. Schoolwide assessment calendar
  - Notes from November meeting:
    - Coordination of Major Assessments
      - Challenging to adhere to the policy the way the calendar may fall prior to the end of a term or vacation
      - Suggestion: relying on students to advocate for changes on an individual basis - with protocols, maybe a form to fill out

- Suggestion: students can petition for a change on a group basis
- Suggestion: A calendar of assessments that all teachers could see
- Some stress is okay
- Some parameters around what constitutes an assessment
- Does come up a lot, and certain students often advocate. They know which teachers will bend and which will not - so often certain teachers are bending all the time
- Challenge keeping different sections of the same course in sync
- HW Practice #4 and #5: why is it one week? Could it just be “ample time allotted”?
- HW Practice #2: Google Classroom does not allow for parent access - how does that jibe with this expectation? And some classes aren’t necessarily complying.
- Additional thoughts
  - Having a “test center” for makeups
  - How much do these tests count?
  - Looking at the course selection process. Taking multiple challenging courses has the natural consequence of more testing
  - Re-imagining the schedule for end of quarter and other blackout times to build in breaks for kids
  - To what extent is our policy meeting its goal?
  - Importance of surveying students

## VII. Honor roll

- No other school in the Dual County does Honor Roll tiers, nor do they publish
- What should the cutoff be?

## VIII. Book Club Read

- *Lighter* by Yung Pueblo - students invited
- *Grading for Equity* by Joe Feldman - small faculty group

## IX. Meetings dates

- Next meeting: Tuesday, Jan 10, 2:30-3:30 PM
