Review of 2021-2024 Elementary Schools Improvement Plan  
Plan can be [accessed here](#)

Action Steps from Improvement Plan this year include:

- Staff Professional Development for surveying connections (student to student and student to staff)
- Upcoming Professional Development for staff on unconscious bias in the workplace
- Ongoing recognition for students who demonstrate empathy and inclusion
- Identified picture books to teach about race, culture and ability
- MCAS scores not as high as we would like- writing identified as an area which needs to be addressed.
- 6 teachers piloting Fly Five, a new social-emotional program.
